## Note on Price Information

The prices received by farmers in the European Economic Community countries, on pages 91 and 92, were developed by using the exchange rates published by the E.E.C. Commission in Journal official des Communautés Européennes.

In the tables on pages 94 and 95, official rates of exchange published by the two countries were used.

|   | EEC: A | Average pro  | producer prices for wheat and barley, | ices for | wheat and           |   | 1952-53 - 10 | - 1962-63 | NA P. P. | 1                      |
